**Expected Family Contribution: 1262\* C**

Based on the information we have on record for you, your Expected Family Contribution (EFC) is 1262. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study funds, and possible funding from your state and school.

Your *Free Application for Federal Student Aid (FAFSA®)* form has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you (and your spouse).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of six school years. Based on information reported to the *National Student Loan Data System (NSLDS®)* database by the schools you have attended, you have received Federal Pell Grants for the equivalent of up to one half of a school year.

Based on your EFC of 1262, you may be eligible to receive a Federal Pell Grant of up to \$5,245 for the 2022-23 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.
